(\*) Even though these are primarily Texas-only payers, Texas WC law is extra-territorial, so if a injured employee is treated in a state other than Texas, they must accept an electronic bill if the provider can submit it electronically.

Emdeon is currently looking for beta sites to participate in our WC eBills w/Attachments pilot program.

If you are using Emdeon's Claim Master product OR submit electronic claims direct to Emdeon or via a channel partner, you could be an ideal candidate.

Send an email to [WorkersCompBetaRequest@emdeon.com](mailto:WorkersCompBetaRequest@emdeon.com) with the following: (1) Name of Practice, (2) Tax ID, (3) Contact Name, (4) Contact Phone, (5) How you submit electronic claims (Claim Master, Direct to Emdeon, or via Channel Partner).

Someone will contact you to discuss. Don't continue the paper process with your WC bills - email us today!
